Prayer Net

Our beautiful Prayer Net can generally be found outside on the Garden Walls. By tying ribbon or yarn to the net, anyone can leave a thought, set an intention or say a prayer, without having to say a word. Each strand on the net is a part of the woven fabric of our community.

The Labyrinth

St Aidan's was one of the first churches in Ottawa to install a labyrinth beside the Memorial Garden, on the Wingate side. To walk the Labyrinth, you are invited to begin from the outside, prayerfully follow the path to the centre, and then retrace your steps outwards. May this journey bring you peace.
